22 (1) The deposition of Vince Li may be taken within the extended discovery period.

23 Augme reserves all rights to object to supplementation of Yahoo's Invalidity Contentions with

 25 testimony in Yahoo's expert report. Mr. Li will not be producing documents.

26 (2) Augme agrees to remove the confidentiality designation for certain portions of the

3       (3) In the event that additional discovery disputes arise during the discovery period related  
 4 to damages (including but not limited to Augme's ongoing request to inspect Yahoo's databases in  
 5 their native format), the Parties will comply with the Court's requirement to meet and confer in  
 6 person in an attempt to resolve the issue before preparing a joint letter to the Court on an expedited  
 7 basis. Within three days of receiving a request to meet and confer in person, lead counsel will  
 8 endeavor to make themselves available for such meeting and if the issue is not resolved, the  
 9 parties will prepare a joint letter to the Court within the three-day window. Recognizing that lead  
 10 counsel for both parties have travel obligations during this time period, the lead counsel role may  
 11 be filled, if actual lead counsel is not available during the three-day window, by another partner  
 12 from Goodwin Procter, LLP or Morrison and Foerster, LLP that has entered an appearance in the  
 13 case and has authority to make a decision regarding the issue to be decided.

14       (4) If Yahoo is unable to complete production of documents related to the Nelson
